

KLEVER, as a company that has been part of Solingen long and proud cutlery manufacturing tradition, develops and manufactures cutlery for every application – the perfect knife. Many colors, outstanding quality and different designs.

Made in Germany.  
Since 1936.

## AND YOU ARE ALMOST DONE WITH YOUR ADVERTISING:

We get your name and ideas stand out:

- On the blade: dishwasher-proof etching or laser-writing
- On the handle: tampon (pad)-printing

Send us your logo / idea and we are happy to simulate the imprint for you for view and vote.
